Capstone Experience: Students seeking the A.A.A. Degree or Certificate in Commercial Music must satisfactorily complete specific requirements 1] As a performer in a full-length televised public performance (music festival), and 2] by passing all applicable Barrier Exams.

These festivals occur twice a year (once at the completion of the fall and spring semesters).

II. SPECIFIC COURSE / INSTRUCTOR REQUIREMENTS:

- A. Textbook and Other Materials: Handouts provided by instructor. Students need to bring handouts to every rehearsal. Students need to keep a folder of charts as a significant part of their grade.
- B. Attendance/Tardiness Policy. The South Plains College attendance policy is stated in the General Catalog. Absence and tardiness degrade the effectiveness of a performing ensemble, so enthusiastic attendance is required. After 2 absences, each absence thereafter reduces your average by one letter grade. 4 successive

absences (2 weeks) will give the instructor grounds to drop the student with an X or an F, at the instructor's discretion. Students arriving after appointed class time are tardy. Students not ready to rehearse by 10 minutes after the class is scheduled to begin are tardy. The instructor will be the final arbiter of excused absences.

This course requires attendance of an additional 16 hours of supervised instruction. This may include the following:

Outside of school performances
Additional scheduled rehearsals
Audio for Video tracking in CB170
Fest week attendance (5 hours per night)

- C. Assignment Policy. Assignments will consist of learning and rehearsing material chosen by the instructor. NOTE: Class time is ensemble rehearsal time. The student is expected to prepare individually, outside of class. The ensemble instructor will help in difficult areas, as will your private lesson instructor,

Students are required to keep a folder of all printed (and/or manuscript) materials received in ensemble class. Lesson activities related to the use of these materials may be a part of the course of study.

- D. Grading Policy/Procedure and/or methods of evaluation.

- 1) Attendance 20%
- 2) Folder 10%
- 3) Professionalism 20%
- 4) Musicianship 30%
- 5) Final Performance 20%

A daily grade based on item 1 and 2 will create an average for the student.

- E. "Students must represent South Plains College in an acceptable manner while on stage. Therefore, to ensure quality of student representation all ensemble students will be required to meet with instructor immediately prior to participating in any/all live performances to determine the "Performance Adequacy" of each student. If instructor(s) determine that any ensemble student is suspected to be under the influence of any medication, drug, alcohol, or unknown substance that would prohibit student from representing South Plains College in an acceptable manner, student will not be allowed to participate in ensemble performance."

- III. COURSE OUTLINE: Students will rehearse musical charts twice a week during normal class times. These charts will allow students the opportunity to learn and interpret various styles of music. Students will learn to read music, listen and interact with each other, and blend well with other musicians. The rehearsed pieces will be performed in such venues as required by the instructor.

- IV. ACCOMMODATIONS: South Plains College strives to accommodate the individual needs of all students in order to enhance their opportunities for success in the context of a comprehensive community college setting. It is the policy of South Plains College to offer all educational and employment

opportunities without regard to race, color, national origin, religion, gender, disability or age (SPC Equal Opportunity Policy--General Catalog).
